PI REMARKS

The Pskov Army Barracks Cherekha (57 44N-28 23E) is located approximately 9 km SSE of Pskov and on the south bank of the Cherekha River. This installation appears to support an active airborne unit. Training facilities indigenous to an airborne unit are found within this installation. Very little equipment was visible on the [] photography available for this report; however, ground scarring indicates that a high degree of activity is maintained within the installation. 25X

Limited rail facilities are located approximately 2 km west of the main installation. (Figure 1.)

Pskov Army Barracks West, 57 48N-28 18E [] is not available for analysis on [] photography. Only a small portion of the installation is observed [] 25X
